

# KT40

State of the art Rugged Mobile Terminal

YES We Scan!

[www.KyKod.com](http://www.KyKod.com)

**Golden metal frame, classic appearance.**

Whole set metal-frame, industrial class protection, firm & strong!

**Rubber in key part--- Cushion protection.**

With rubber in key parts, as good cushion protection when drops and bumps.

### Characteristics

Battery: 4500mAh, 3.8V  
Working environment: -20°C~50°C, Humidity 5%~95%  
Protection class: IP65  
Drop resistance level: 1.5m, all six sides

### Wireless

1. Bluetooth V2.1+EDR/V3.0+HS/V4.0 LE
2. WIFI 802.11b/g/n hardware WAPI
3. GPRS/HSPA/EDGE
4. GPS, AGPS

### OS

Android 4.4.2

### CPU

Quad-core A7 1.3GHz

### Memory

Flash ROM 8GB, RAM 1GB

### WWLAN

GSM/GPRS/EDGE:  
850/900/1800/1900MHz  
UMTS/HSPA:  
850/900/1900/2100MHz

**Rugged back for safe holding, extensible wireless charging interface.**

Rhombus salient point nonskid design keeps you safe handholding; With extensible interface inside for wireless charging.

### Camera

AF 8MP  
Support still image and video capture

Quality hardware for BARCODE

[www.KyKod.com](http://www.KyKod.com)

**Humanized & unique design of barcode scanner.**  
This unique incline design brings you flexible and comfortable scanning operation.

**Three quick scan buttons--- ultra convenient.**
